

Caleb Easton

Junior Full-Stack Developer · Systems & Technical Game Design

Boston, Massachusetts · caleb@appshapes.com · github.com/CalebEaston

SUMMARY

{{SUMMARY}}

SKILLS

Languages: {{Which languages can you be interviewed on? Order by confidence.}}

Frameworks & Libraries: {{...}}

Data & Storage: {{...}}

Testing: {{...}}

Infrastructure & Tooling: {{...}}

Game Development: {{Engines and tools used on Rattles & Rayguns and coursework — e.g. Unity, Unreal, Godot.}}

AI-assisted development: {{Claude Code}} · {{agentic workflows}} · {{prompt design}}

Practices: {{Version control hygiene}} · {{Code review}} · {{Automated testing}} · {{CI/CD}} · {{Agile / Scrum}}

Currently learning: {{Thing}} · {{Thing}}

PROJECTS

Rattles & Rayguns — {{one line: what the game is and who plays it}}

[itch.io](#) · {{MM/YYYY}} – 07/2026

Stack: {{Engine}} · {{Language}} · {{Tools}}

- {{What did YOU own on this? Systems, tools, gameplay code, level design, production?}}
- {{The hardest problem you personally solved, and how.}}
- {{Team size, your role on it, and how the work was divided.}}
- {{Reception or result: downloads, ratings, playtest findings, grade, showcase.}}

{{Project Name}} — {{what it does}}

[Repo](#) · {{MM/YYYY}} – {{MM/YYYY}}

Stack: {{Tech}} · {{Tech}} · {{Tech}}

- {{Accomplishment bullet.}}
- {{Accomplishment bullet.}}

Full write-ups: [PROJECTS.md](#)

EXPERIENCE

AppShapes — Software development studio taking on client engineering work

Junior Full-Stack Developer · Starting 09/2026 · Boston, MA

Stack: {{Fill in once the first project is underway.}}

- {{Role has not started as of this writing — no accomplishment bullets yet, by design. Incoming scope: full-stack contract work on the ThinkTech engagement, paired with the lead developer across front end and back end. Replace this line with shipped outcomes once there are some.}}

New City Micro Creamery

Shift Manager · 2022 · {{City, State}}

- Managed shifts as the on-duty lead over roughly four months {{— add: staff per shift, and one thing you owned (open/close, cash handling, scheduling, training)}}.

Whole Foods Market

Floater · 2021 – 2022 · {{City, State}}

- Covered whichever department needed staffing that day {{— add: which departments, and anything you were specifically trusted with}}.

Fun @ Games

Assistant Manager · 2018 – 2020 · {{City, State}}

- Supervised floor staff and daily operations as assistant manager {{— add: team size, what you owned, and anything you measurably improved}}.

EDUCATION

Full Sail University — Winter Park, FL

B.S. Game Design · Graduated 07/2026

- **Relevant coursework:** {{Pull the exact titles from your transcript. Known themes to look for: producing / production for the games industry, and the several team-based development courses.}}
- **Capstone:** Shipped *Rattles & Rayguns*, a team game released publicly on itch.io.

CERTIFICATIONS & TRAINING

- {{NOT YET DISCUSSED — any certifications, bootcamps, or substantial online programs? If none, delete this section.}}

VOLUNTEER & COMMUNITY

- {{NOT YET DISCUSSED — any open-source contributions, mentoring, game jams, or community organizing? If none, delete this section.}}
